

St. Mary's BNS, Maynooth

SAVE THE DATE ...

As completion of the new school building at St. Mary's BNS is fast approaching, it is time to say goodbye to the current school building which has served the people of Maynooth so well since 1943.

We are planning an informal reception in our current school building (the old school) on **Friday, June 17th** from 7pm onwards. Parents, past pupils and all members of the wider Maynooth community are invited to join us to reminisce, chat and celebrate this chapter in our school's history.

Please save the date and we look forward to welcoming you back to our school for what promises to be a great evening!

Kind regards,

Daniel Kirwan,
Principal.
